FROM FATHER TO SON

Four generations of our family have helped bring Napa Valley Cabernet Sauvignon to the forefront of the fine wine world. The artistry and passion handed from father to son to support this rich winemaking tradition have inspired us to create Emblem from Napa Valley's most exceptional Cabernet Sauvignon sub-appellations and vineyards.

Emblem is a personal reflection of our past and future in the Napa Valley, embodying the unparalleled quality of the land's fruit and our family's dedicated winemaking heritage.

EXCEPTIONAL NAPA VALLEY FRUIT

Emblem is a reflection of both our winemaking tradition, and of the finest Cabernet Sauvignon fruit in Napa Valley. Our Oso Vineyard Cabernet Sauvignon is a true expression of its single-vineyard origin. Nestled between Sugarloaf and Howell Mountains in Napa Valley, on slopes rising up from Schwartz Creek, our family's Oso Vineyard yields Cabernet Sauvignon with intense varietal characteristics. The vines grow on beautiful stone-lined terraces, out of a rocky, porous soil whose high drainage stresses the vines and highly concentrates flavors in the grapes. Mild temperatures and afternoon breezes that blow straight down the vineyard rows maintain the fruit's freshness and vibrancy throughout the growing season.

EMBLEM OSO VINEYARD CABERNET SAUVIGNON

Our Cabernet Sauvignon from Oso Vineyard is beautifully balanced, with a supple, elegant texture and lush ripe fruit flavors of cherry, blackberry, and subtle oak nuances of chocolate, toffee, and toasted vanilla. From the mountain fruit, the wine extracts intense flavors, a firm structure, and excellent aging potential.
